

Charles Pospisil, Saratoga, WY, USA—March 1944

[Note: Letters as transcribed include some corrections to syntax, grammar, and spelling. Material of a personal nature has been deleted in deference to remaining family members.]

*March 16, 1944* (postcard of business district in Saratoga, Wyoming and postmarked from Saratoga, Wyoming)--The same view, but this time the complete corner. Lots of news in the making since last night. Follow my letter. The bridge in the picture caved in just before I arrived. XX. Charles.
